COMPANY OVERVIEW

NORDIX COMPANY LTD.

Nordix Company LTD. is a forward-thinking and dependable service provider delivering comprehensive solutions across multiple sectors, including heavy equipment rental, manpower supply, transportation, civil works, and porta cabin supply. With a strong commitment to quality, safety, and operational excellence, we support a wide range of industries such as construction, infrastructure development, oil & gas, logistics, and commercial projects.

At **Nordix**, we understand that every project demands precision, efficiency, and reliability. That is why we provide well-maintained, high-performance heavy equipment operated and supported by experienced professionals to ensure smooth and timely project execution. Our manpower supply services are tailored to meet diverse workforce requirements, offering skilled, semi-skilled, and unskilled labor who are trained to deliver productivity and maintain safety standards at all times.

Our transportation services are designed to provide seamless logistics solutions, ensuring the safe and timely movement of materials, equipment, and personnel. We combine modern fleet capabilities with experienced drivers and logistics planning to support projects of all sizes and complexities.

MISSION

Nordix Company LTD. is committed to delivering reliable, high-quality services in heavy equipment rental, manpower supply, transportation, civil works, and porta cabin solutions. We aim to exceed client expectations through efficiency, safety, and cost-effective operations while building long-term partnerships based on trust and performance.

VISION

To be a leading and trusted service provider recognized for excellence, innovation, and reliability, continuously expanding our capabilities to support the growth and success of our clients across diverse industries.

CHAIRMAN'S MESSAGE

NORDIX COMPANY LTD

At **NORDIX COMPANY LTD**, our journey began with a clear vision—to build an organization grounded in integrity, innovation, and long-term value creation. What started as an aspiration has grown into a dynamic enterprise driven by passion, resilience, and a commitment to excellence.

Over the years, we have continuously evolved to meet the changing demands of our industry and the expectations of our stakeholders. Our strength lies in our people a dedicated team whose expertise, professionalism, and collaborative spirit enable us to deliver quality solutions and sustainable results. By embracing modern technologies and forward-thinking strategies, we ensure that we remain competitive and future-ready.

At the core of **NORDIX COMPANY LTD** are our enduring values: customer focus, trust, accountability, and teamwork. These principles guide every decision we make and shape the way we engage with our clients, partners, and communities. We believe that strong relationships are built on transparency and consistency, and we strive to exceed expectations in everything we do.

Our commitment to quality and operational excellence has earned us the confidence of our customers and the respect of our peers. However, we do not measure success solely by achievements, but by our ability to continuously improve and adapt in an ever-changing world.

As we look ahead, we remain dedicated to innovation, sustainability, and growth. We aim not only to expand our business but also to create lasting value for all our stakeholders and contribute positively to the communities we serve.

I extend my sincere gratitude to our clients, partners, and employees for their unwavering trust and support. Together, we will continue to build a stronger and more successful future for **NORDIX COMPANY LTD**.
